CLASS DESCRIPTIONS:

AAC Starters Class: The starters class shall be for dogs not having earned the Agility Dog of Canada (ADC) title. A dog must achieve 3 clear Starter Standard rounds to be awarded the ADC title.

AAC Advanced Class: The advanced class shall be for dogs having earned the Agility Dog of Canada (ADC) title, but that have not yet earned the title of Advanced Agility Dog of Canada (AADC). A dog must achieve 3 clear Advanced Standard rounds to be awarded the AADC title.

AAC Masters Class: The Master Class shall be for dogs having earned the Advanced Agility Dog of Canada (AADC) title. To be awarded the Master Agility Dog of Canada (MADC) title by the AAC, a dog must achieve 3 clear Master Standard rounds.

Steeplechase: is a class offered at one level, but open to all dogs, (Starters, Advanced and Masters compete together). 10 qualifying runs earn a Masters Steeplechase Dog of Canada title.

Games: Gamblers, Snooker and Jumpers are required at all levels for ATChC progression: Starters, Advanced and Masters. Progression from one level to the next is as follows: Movement into Advanced Games from Starters level games requires two qualifying scores, in the Starters game to move to that Advanced Game. The Starters Games Dog of Canada title requires 2 Q's in each of the 3 games at the Starters level.

Movement into Masters games from Advanced level games requires three qualifying scores in the Advanced Game to move to that Masters game and Masters requires four qualifying scores in each of the 3 games. Team progression: 4 Master Team Q's = MTRDC title. STR & ATR Q's earned prior to Jan 1, 10 count towards the Bronze, Silver & Gold levels but not the MTRDC.

AAC Veterans Class: Veterans class is for dogs 7 years of age and older or dogs 5 years of age and older who have been competing in the Specials Agility Class for a minimum of 1 year.

AAC Specials Class: Specials class is open to all dogs. A dog entered in Special Classes may move to the Veteran Classes. A dog may no longer compete in the Regular Starters, Advanced & Masters titling classes once entered at an official trial in any of the Veteran or Special agility classes. Dogs moving into Veterans & Specials from Regular classes take their titles with them (i.e. they move laterally).

ROSETTES & RIBBONS:

An application for an ID card can be downloaded from www.aac.ca. Dogs under 2 years of age must have one measurement.. Measuring at 7:45 am and during course builds.

SENIOR/DISABILITY HANDLER DESIGNATION:

As of January, 2021 the AAC has an accessibility category with a senior (65+)/disability designation for the handler. This gives modified course times/points with regard to qualifying run requirements. You can read full details of that change along with some others here:
